

# IPH 2025

03 TO 05 September, 2025 | TEHRAN, IRAN

## ABOUT the EVENT

Health Tourism Development Center of Islamic Countries (HTDC), in collaboration with leading international healthcare and hospital organizations, is proud to host the *International Private/Public Hospitals Congress & Exhibition (IPH2025)* from September 3 to 5, 2025, in Tehran, Iran. This highly anticipated event aims to spotlight healthcare capacities across regions, fostering global synergy by sharing expertise, exploring the latest technologies, and strengthening international collaboration in the healthcare and health tourism sectors.

**IPH2025** serves as the ultimate platform for hospital executives, healthcare managers and seniors, clinicians, researchers, policymakers, and innovative vendors focused on enhancing healthcare quality, efficiency, and outcomes. The event's comprehensive agenda includes keynote addresses from top industry figures, interactive panel discussions, workshops, specialized health-tech-talks, and sideline exhibition showcasing state-of-the-art solutions for healthcare facilities of all sizes and specialties.

More than an event, IPH2025 is a vibrant hub for learning, networking, collaboration, and inspiration. It offers healthcare professionals and stakeholders the unique opportunity to connect with peers, share transformative ideas, and discover new pathways for growth and impact in the healthcare industry.

With participation of healthcare leaders and medical tourism advocates from over 40 countries, IPH2025 is set to be one of the largest and most influential healthcare events of the year. Join us in Tehran to be part of this pivotal gathering and to contribute to the future of global healthcare.

## HealthTechTalk

### TECHNOLOGIES & INNOVATION • KNOWLEDGE SHARING & NETWORKING

Join us at **Health Tech Talk**, an exciting event held alongside **IPH2025**, where we'll dive into the revolutionary technologies reshaping healthcare. This is a unique opportunity to explore and discuss cutting-edge advancements with the experts, practitioners, and innovators who are driving transformative change in the industry. Attendees will gain invaluable insights into the latest tools, trends, and technologies set to redefine health solutions worldwide.

#### Key topics covered will include:

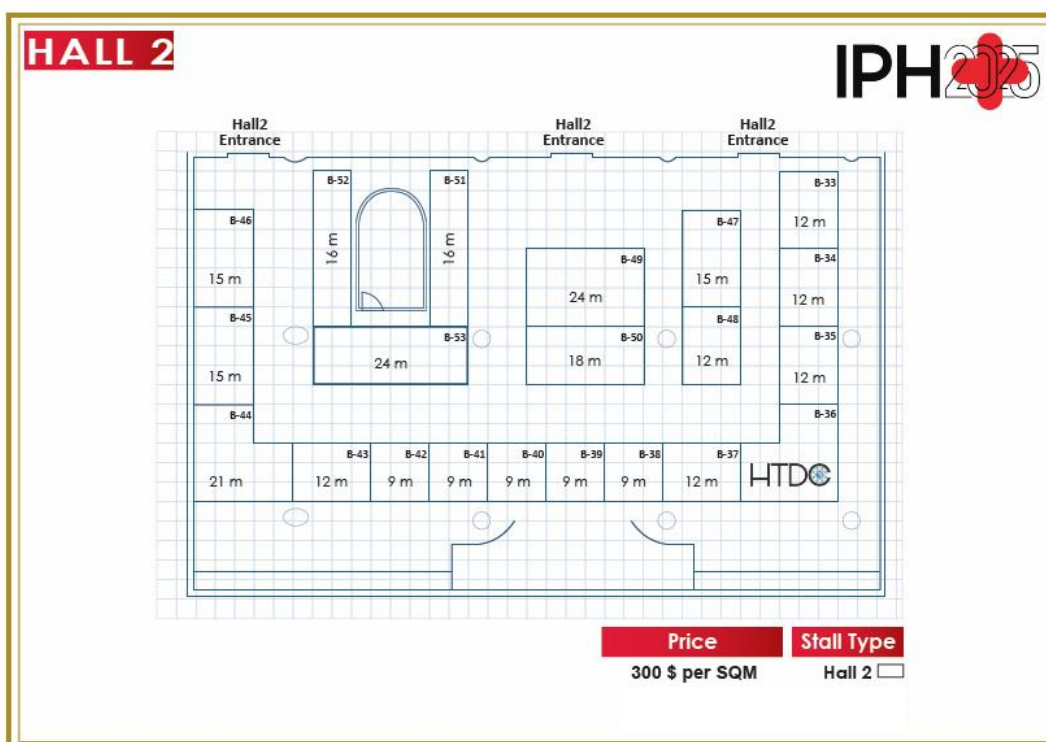

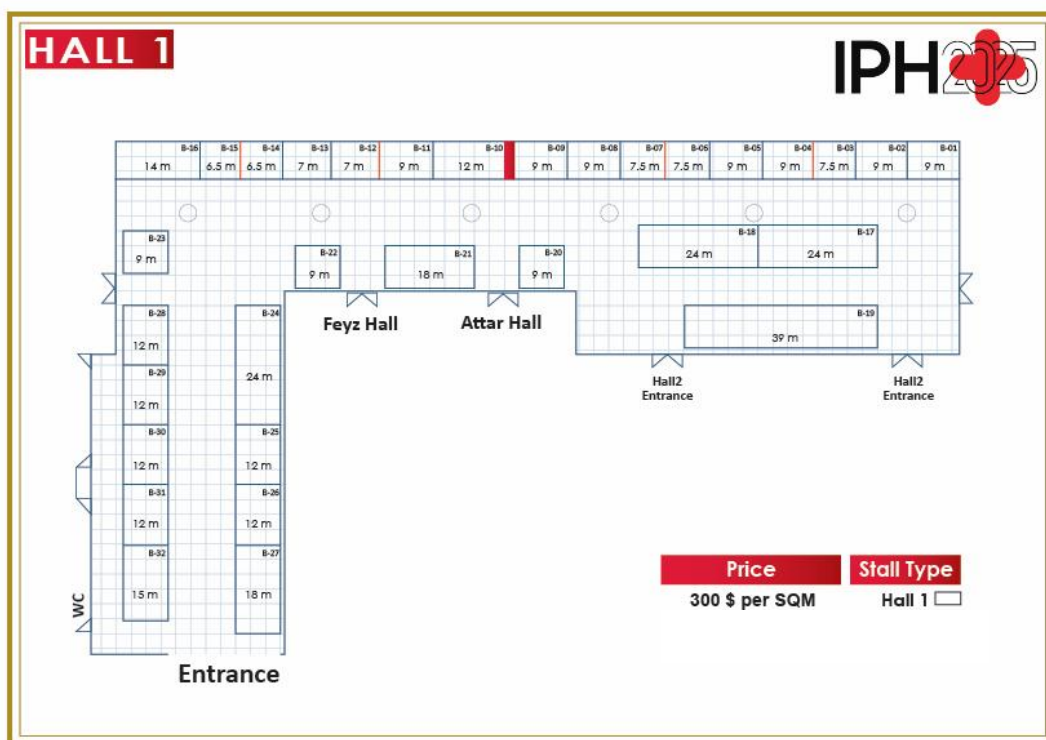

- **Artificial Intelligence (AI) & Machine Learning** for diagnostics, treatment optimization, and disease prevention
- **Wearable Devices & Sensors** to enhance health monitoring and personal wellness
- **Telemedicine & Remote Care** expanding healthcare accessibility and convenience
- **Digital Health Records** enhancing security, privacy, and efficiency in health data management
- **Biomedical Engineering & Nanotechnology** advancing therapeutic innovations and medical devices
- **Metaverse, Virtual Reality (VR), and Augmented Reality (AR)** for immersive training, education, and rehabilitation experiences
- **Blockchain Technology** ensuring secure supply chains, combating counterfeit drugs, and safeguarding health data
- **Internet of Things (IoT)** applications for patient monitoring, drug adherence, and clinical trials
- **Latest Technologies in Medical Equipment, Instruments, and Devices** and much more.

In addition to thought-provoking presentations, **Health Tech Talk** offers unparalleled networking opportunities with industry leaders, speakers, and fellow attendees. Whether you're a health professional, researcher, entrepreneur, or an enthusiastic learner, this event promises to inspire, inform, and connect you with the future of healthcare innovation.

**Date & Time:** 04 September 2025 | 16:00 – 18:00

**Venue:** Khaje-Nasir Hall, IRIB Conference Center, Tehran
